We are looking forward to the **Central South Region 3** Regional tournament. Everyone has worked hard to understand and solve their respective challenges over the last few months. This is the chance for the teams to showcase their solutions for the appraisers, their family and friends. We are looking forward to the teams performance and an action packed day.

The doors to the school will open at 8:00 a.m. We ask that you bring your props into the building only 30 minutes before you report to your team challenge site. Please return props to vehicles as soon as possible following your performances. Do not dispose of any props in the school garbage or dumpsters. Please bring soap and towels to remove make up. Be sure to leave the restrooms clean. Maze Craze and Friends Everywhere will be held in a gym with a wood floor. Drop Zone will be held in the Green Gym with a tile floor. Unlikely Attraction and Inside Impact will be held in the Music Room. Change of Tune and Treasure will be held in the Broadmoor wing and will have carpeted floors.

Please leave the school clean and in the condition that you found it. There is no smoking on school premises. Please keep all food and drinks in the 'Commons Area'. The school was renovated last summer and this rule must be followed. Teams will be provided with a garbage bag to use for any items they may need to discard.

**Maze Craze, Drop Zone, Change of Tune and Friends Everywhere** will bring their props in the 'GYM' doors. **Inside Impact and Unlikely Attraction** will bring their props in the 'FRONT' entrance.

Everyone will have a great time and share the efforts of a long season. Our teams all come to the tournament to put on a great show and share the knowledge and experiences they have had over the last months. We celebrate their accomplishments and the journey they have chosen to take. Congratulations to everyone!! Many thanks to the **team managers** for their time and the **memories** they have created for their team members and families.
